

Casting Call worksheet

Choosing the right actor

Actors all have reputations and certain roles that the public know them for, which influences casting directors when it comes to choosing a cast. When the character is a famous historical figure, this can be even trickier. Complete this table about a historical figure in a film you've seen assessing whether the actor in the role was well cast.

Important characteristics/actions of historical figure	Pictures of historical figure and actor cast as them
Important characteristics/actions/roles of actor cast as them	Why this actor was/was not well cast as this historical figure
